Zoning

OI (D) Zoning: Office and Institutional zoning district, within the City of Durham, was established for employment and community service activities and permits a broad use of commercial services and institutional uses though some areas within the zoning district will support residential uses, which are compatible with the area.

CG (D) Zoning: The CG District is established to provide for a wide variety of commercial activities of varying scales that are designed to be served by major thoroughfares. The intent of this district is to provide sufficient size and depth of property to meet business needs, yet maintain safe traffic flows. Businesses in this district should be sited convenient to automotive traffic.

Note: The property is subject to the Chin Page Road Development Plan.
