BUCKEYE OVERVIEW

The City of Buckeye has put forth a tremendous amount of effort to create a multidecade development vision that will be able to accommodate the large amount of anticipated growth. Planning efforts have included generating an assured 100 year water supply, continuously analyzing and reviewing the general plan, creating business incentives, building a sense of community, and providing need infrastructure improvements throughout the city. The City of Buckeye has seen tremendous growth during the past decade with the population projected to continue growing at exponential rates. Additional information about the future of Buckeye's growth can be found on the Grow Buckeye website (www.growbuckeye.com).

Current YTD through April 747 permits up 14% from last year. DR Horton and LGI Homes continue to be the top producing homebuilders throughout the Buckeye Submarket with additional national builders, including Meritage Homes, entering the market.
