BootUP

THE GLOBAL STARTUP ECOSYSTEM

Welcome to BootUP World. Rated the top accelerator and co-working space in the Silicon Valley by INC Magazine and Entrepreneur Magazine.

Amenities include high speed wifi, a beautiful courtyard, catered daily lunch at the Cuckoos Nest, a complimentary printing allowance and access to seven executive conference rooms. Our facility also features rental space for meetings, presentations and events. We even have 12 remote presence robots to make working across the globe easy for our global startups.

CEO's of our startups at BootUP World are allowed complimentary access to our BootUP Entrepreneurial Network (BEN) at the Cuckoos Nest. A space where we hold regular events aimed at expanding entrepreneurial activity, including demo and pitch nights for our resident startups as well as industry leading keynote speakers.

Our facility is located conveniently close to the Menlo Park and Palo Alto Caltrain station as well as highway 101 and a stone throw away from University Avenue next to the old Sunset Magazine's building.

Office and Desk Space Currently Available.

Desk

Whether you want to carve out your own space or take the flexi option we have the desk space option to fit your needs.

Full Time desks will give you a permanent seat to do your work while the flexi option gives you the flexibility to take any seat available in our common work area.
