PUBLIC TRANSPORTATION TO NEWARK

PUBLIC TRANSPORTATION MODE

- BART | operates on 104 miles of track from 43 stations, with trains running approximately every 15 minutes from 4 a.m. to midnight weekdays; some routes running more frequently during commuter hours. 7 lines carry passengers from Millbrae and San Francisco International Airport to Oakland and points north and south of Richmond, Fremont, Dublin and Pittsburg/Bay Point.
- Caltrain | operates on 77 miles of track from 33 stations, offering frequent weekday service (approximately every 30 minutes) between San Francisco and San Jose, with extended commuter service as far south as Gilroy.
- Dumbarton Express | connects travelers from BART's East Bay Union City station to Caltrain's Southwest Palo Alto station, via the Dumbarton Bridge across the San Francisco Bay, with weekday commuter routes.
