## LANDLORD'S WORK

### **GOLD CIRCLE GRAY SHELL SPECIFICATIONS**

1. Landlord to provide a current floor plan to the leased premises. Landlord and Tenant shall both sign a floor plan for approvals prior to any finish work being performed.
2. Landlord will be responsible for obtaining permits for their portion of the work. Tenant to obtain all permits for all interior finishes.
3. Exterior structure of building will be designed to carry loads in accordance with governing codes.
4. Tenant demising walls will be built to ceiling, insulated, and dry walled.
5. Landlord shall provide rooftop heating and cooling unit(s) (RTUs) with electrical and / or gas connections as required at one ton for every 400 sq. ft of demised space. Each RTU provided will be for approximately 5,000 SF and will be non-exclusive for any tenant smaller than 5,000 SF. Landlord will provide supply and return duct into each tenant's demised space.
6. Landlord shall provide basic electrical service entrance, meter, and distribution panel with a minimum of 200 amp, 208 / 120 volt, 3-phase service for each 5,000 SF of lease space. Each electrical panel will be non-exclusive for any tenant smaller than 5,000 SF, with panel available in a common utility room on tenant's floor.
7. Floor to be concrete.
8. Tenant to be responsible for own finish out, including all interior wall structure, MEPs & fixtures, ceiling, wall and floor finishes, cabinetry and countertops, and all trim and hardware. Tenant will submit to the Landlord a standard floor plan of Tenant's planned work.
9. Landlord responsible to provide a building fire alarm panel with signaling line circuit (SLC) loop in the vicinity of tenant space.
10. Landlord and Tenant shall both sign a color scaled signage plan prior to any signage being installed on the premises.
11. Landlord to provide common area mechanical room and common area restrooms.
12. Landlord to finish all outdoor patios with concrete tile block.

NOTE: Modifications to the plumbing, electrical, fire sprinkler system or HVAC systems required by the Tenant's Plans and Specifications shall be at the sole expense of the Tenant.
