Turner Spectrum Ridge at Deer Valley

975 E. Salter Dr., Phoenix, AZ, 85024

"BUILDING G"

FEATURES AND BENEFITS

- **Block Wall Fencing & Rolling Gate** – Yards are specifically designed to be a minimum of 10% larger than any other Deer Valley Development
- **Clear Height(s) from 20' to 24'** – Increases the usable square footage, and potential for an additional tier of racking
- **1/4 –mile from a Full-Diamond Interchange** – Less time on surface streets increases productivity and lowers operating costs
- **Turn-Key Delivery** – Saves on start-up costs and time to occupy the building
- **A-1 Zoning** – Deer Valley's most flexible zoning allows users to diversify their uses and creates a greater resale value
