Benefits of a Central Valley Location in Porterville:

Incentive Zones – Our Foreign Trade Zone and Recycling Market Development Zone are programs geared toward reducing operating costs.

Workforce – Employers boast of low turnover rates and hire from a surrounding labor force of approximately 115,000. Local programs available to assist employers with hiring and training needs.

Permit Fast Tracking – The City’s one-stop permit counter provides for fast turnaround permitting. A liaison is available to assist throughout the entire process.

Development Fee Payment Plan – Companies may take advantage of the City’s Payment Plan which allows for most development fees to be financed over a 10-year period, with 0% interest.

Business Assistance Program – Applicants may be eligible for funding assistance of up to \$35,000 for each new job created

Situated in the heart of California’s Central Valley at the intersection of State Highway 65 and 190, Porterville is a bustling city of over 55,490 and serves as a trade center to over 115,000 people. The economy is a thriving mixture of agri-business, light industry, and commercial enterprise. Local businesses produce a number of products such as electronic medical instruments, printed forms and specialty documents, food products, and more.

- *Convenient central California location*
- *Low on-going Operating & Labor Costs*
- *Existing Affordable Infrastructure*
- *Business Friendly Communities*
- *Lower shipping costs for operations with suppliers and customers in Northern and Southern California*
- *Foreign Trade and Recycling Market Development Incentive Zones*
