WEEK

# BUILDING ACCESS

# BUILDING SPECIFICATIONS

Avoid downtown's congestion!  
Fast and easy in and out saves  
time and frustration!

**BUILDING HOURS:**

- Monday - Friday:  
6:00 a.m. - 6:00 p.m.

**SKYWAY HOURS:**

- Monday - Friday:  
6:30 a.m. - 10:00 p.m.
- Saturday:  
9:30 a.m. - 8:00 p.m.
- Sunday:  
12:00 p.m. - 6:00 p.m.

**SECURITY:**

Exterior building entrances are monitored 24 hours via CCTV camera. After-hours access to the building is provided by a card-key system. Closed-circuit television monitors are located at various locations on P-1 through P-4. A security officer is posted at the Information Desk (skyway level) 24 hours a day, seven days a week.

**HVAC:**

Constant volume and pinch down variable air boxes. Typically 18 zones per floor (average) with primary duct work installed. All controls are Direct Digital Control (DDC) type, manufactured by MCC/Powers. Air handling units are located on every floor throughout the building. Chilled water and steam are purchased from the Minneapolis Energy Center. Energy management is executed by a fully automated system located in the building. There are six air changes per hour.

Ten tons of surplus chilled water is available per floor for supplemental cooling. System delivery is 24 hours per day, seven days a week.

**Normal operating hours:**

- Monday - Friday: 8 a.m. to 6 p.m.

**AFTER HOURS HVAC:**

\$45.00 per hour.

**ELEVATORS:**

The building is serviced by a total of 16 Otis Gearless Traction elevators which include:

	#	Floors	Bank	Wait Time	Speed/Min
Passenger	7	2-16	Low-Rise	10-12 Sec	500
Passenger	6	17-31	High-Rise	10-12 Sec.	700
Freight	1	1-31	-	-	500
Parking	2	P4-P1, 2	-	-	-

**ESCALATORS:**

The property has two 32-inch escalators serving the lobby to the second floor.

### LIFE SAFETY SYSTEMS:

- Fully sprinklered
- Fire Control Command Center located on the ground level
- Secondary equipment located at the Information (security) console on 2nd floor
- Smoke detectors, horns, strobes, and annunciation speakers located throughout all tenant areas

### PLUMBING:

The domestic water system uses two booster pumps to deliver the required pressure to three pressure-reducing valves in the tower for restroom and tenant requirements. Parking ramp, first and second floors are fed from city pressure. All floor drains in the mechanical rooms and parking ramp are served by an indirect waste riser, which passes through a flammable catch basin before being discharged.

### TELECOMMUNICATIONS:

Qwest, AT&T, Cogent, Comcast, Electric Lightwave, TW Telecom, XO Communications

### TELEPHONE ROOMS & SERVICE:

The telephone service providers point of presence is located on the P-2 level of the building. Each floor is served by a finished, dedicated Telephone/Electrical service room located within the building core. Each floor's service is sized to one twisted pair for every 200 SF of BOMA defined usable floor space.

### WINDOW COVERINGS:

1" levolor "squirrel gray" blinds

### ELECTRICAL

The building is served by Xcel Energy from two separate 13,800 volt feeders. The switches served by these lines are located on the P-1 level of the building. Each switch serves separate areas in the building, defined by the high and low-rise elevator banks.

Power is distributed to typical floors via transformers, located every five floors. Three 225 Amp, 42 circuit panel boxes at 120/208 volts, three phase are located on each floor in the building core electrical closet. Floor distribution is supplemented through an installed grid mounted to the underside of each slab. A clean ground is available to each floor at the electrical closet.

### BUILDING EXTERIOR:

- Floors 1-5: Thermal finish Carnelian granite with a band of exterior honed Montclair Danby white marble between Floors 1 and 2.
- Floors 5 & up: Rockville white flamed finish with a polished sill of Carnelian granite under the punch-through windows.

### BUILDING INTERIOR:

Floors 1-2 common area: Floors consist of green Vermont Verde Antique marble, Montclair Danby white and San Nicola polished marbles.

### LOADING DOCK:

- Located off Eighth Street
- Open 24 hours a day, seven days per week
- Staging area has 15-minute parking available.
