Project Overview

One Hanover is an exciting new, mixed-use project located in downtown Fredericksburg with riverfront views of the Rappahannock River.

One Hanover is a 15,000 SF restaurant opportunity that will encompass outdoor patio space with views of the Rappahannock River. The project also includes two stories of high end luxury apartments.

One Hanover draws on the character of the Fredericksburg historic district, employing a time-honored pallet of fieldstone and red brick, featuring old and new.

Subtle details, including steel windows and timber pergolas enhance the façade reflecting the timeless nature of America's most historic city.

Meant to compliment rather than replicate the centuries old downtown, One Hanover is a completing addition to Fredericksburg's evolving waterfront.

This restaurant opportunity allows a restauranteur the opportunity to join new additions to the market like Mellow Mushroom, Burger Bach, Sedona Taphouse, Capital Ale House and more importantly, pre-eminent restaurants that have been established in the downtown Fredericksburg market to include La Petit Auberge & Renato's.

In 2020, Dominion Public Market will be opening a 35,000 SF food hall.
