***** THIS PROPERTY IS LOCATED IN A QUALIFIED OPPORTUNITY ZONE *****

TAX CUTS AND JOBS ACT OF 2017

OPPORTUNITY ZONE OVERVIEW

An Opportunity Zone is an economically-distressed community where new investments, under certain conditions, may be eligible for preferential tax treatment. Localities qualify as Opportunity Zones if they have been nominated for that designation by the state and that nomination has been certified by the Secretary of the U.S. Treasury via his delegation of authority to the Internal Revenue Service.

Investments in a QOZ or Qualified Opportunity Fund (QOF) receive preferential tax treatment. Investments in a QOZ or a QOF can retain some of this preferential tax treatment until 2046. An investor who within 180 days reinvests, can defer tax on any prior gains until the earlier of: sale of the investment or December 31, 2026, so long as the gain is invested in a QOZ/QOF. In addition, if the investor holds the investment in the QOZ/QOF for at least ten years, the investor would be eligible for an increase in its basis equal to the fair market value of the investment on the date that it is sold.

APARTMENT MARKET TRENDS

The average asking rent for a multifamily unit in Southern Nevada was \$1,114 per unit in the first quarter of 2020. This represented a 2.5 percent annual increase from the first quarter of 2019. The most expensive submarket in the Valley was Southwest at \$1,350 per unit, followed by Summerlin/The Lakes at \$1,330 per unit. Asking rents increased in all twelve submarkets on a year-over-year basis, with the highest growth in East Las Vegas, at 8.9 percent growth, Central, at 8 percent growth and North Las Vegas, at 5.9 percent.

Unemployment in the Las Vegas-Paradise MSA was 7.2 percent in March 2020, compared to 3.8 percent in March 2019. From March 2019 to March 2020, total employment in Southern Nevada increased by 3,000 jobs, a 0.03 percent increase. This sudden drop in employment was a result of the business closures ordered in March to slow the spread of the COVID-19 virus.

A total of 2,606 units of multifamily sold in the first quarter of 2020, with total sales volume of \$484.2 million. The average sales price was \$185,791 per unit. Multifamily sales (in terms of units) had been decreasing each year since 2016 until last year, when sales rebounded to 2016 levels in terms of units, and sales volume showed significant improvement.

RAIDERS HEADQUARTERS

Excerpt from reviewjournal.com
By Mick Akers | December 2019

While most eyes are on Allegiant Stadium’s construction progress, the Raiders headquarters 12 miles away in Henderson is also rounding into form.

The under construction 335,000-square-foot facility located across the street from Henderson Executive Airport is slated to cost north of \$75 million to construct, according to Raiders’ President Marc Badain.

Around 300 employees will work at the team’s office, where the team’s operations will be conducted, when it opens in June.

The 135,000-square-foot office area is now fully enclosed in dark tinted glass, with light grey side panels being installed, giving it a very Raiders feel. The glass is similar to the panels being used at Allegiant Stadium, which are darker on the outside, but more translucent from the inside.

In addition to the headquarters area, the facility will feature a 150,000-square-foot field house and a 50,000 square-foot performance center, which the team announced Monday will be called the Intermountain Healthcare Performance Center...”

ALLEGiant STADIUM

Excerpt from reviewjournal.com
By Ed Graney | December 2019

“The sports landscape in Las Vegas will change permanently in 2020 with the arrival of the Raiders to their new home, a \$2 billion structure of 65,000 seats and all the lavish amenities found in new and instantly recognizable NFL stadiums.

“To all the players and coaches and fans who have ever worn the silver and black, this is our Field of Dreams,” said Raiders owner Mark Davis. “I said that at the ground-breaking and believe it even more now. It’s a public-private partnership working the way it is supposed to.

“Vegas has always been the entertainment capital of the world, but now we really are becoming the sports capital as well. This stadium will bring new levels of enthusiasm and galvanize the community. It’s going to be very impactful for Las Vegas.”

It’s no longer an illusion. It’s real.

Allegiant Stadium is set for completion July 31...”

MSG SPHERE

Excerpt from [news3lv.com](https://www.3news.com)

By Matthew Seeman | December 2019

The MSG Sphere in Las Vegas remains on track to open in 2021 as construction continues on the ambitious event space, according to a spokeswoman.

Crews poured more than 33,000 cubic yards of concrete and laid more than 14 million pounds of rebar in 2019, MSG spokeswoman Maire Griffin said in a press release.

Vertical construction is now happening at 65 feet above ground level, while below-grade mechanical, electrical and plumbing work has started

Concrete has also been poured for the second-floor atrium and the foundation for the stage, according to the press release.

Crews are expected to reach the widest section of the sphere, referred to as the "equator," sometime in 2020, while the steel sphere wrapping will start as well.

MSG Sphere, a joint venture of The Madison Square Garden Company and Las Vegas Sands, is expected to reach 875,000 square feet and hold about 17,500 seats once complete..."

LAS VEGAS MUNICIPAL COURTHOUSE

Excerpt from [reviewjournal.com](https://www.reviewjournal.com)

By Shea Johnson | June 2019

Las Vegas officials on Tuesday ushered in the start of construction on a \$56 million municipal courthouse, a four-story facility that Mayor Carolyn Goodman cast as a "one-stop shop" for local-level justice needs.

"This building is now the latest piece in a fully realized justice corridor in the heart of downtown," Goodman said during the morning groundbreaking ceremony. Located at 100 E. Clark Avenue, near City Hall, the courthouse's pending construction represents the beginning of a long-awaited move for municipal court operations out of the Regional Justice Center. It is expected to be completed by January 2021. Municipal Court Chief Judge Cynthia Leung said the new facility will help the courts be more efficient and accessible to the public

The new courthouse, which will be nearly 140,000 square feet, will set aside space for traffic court, administration, customer service, classrooms and the city attorney's criminal division. The building will be energy efficient to reduce overall operating expenses..."

CIRCA HOTEL & CASINO

Excerpt from reviewjournal.com
By Richard N. Velotta | October 2019

The skyward progress of downtown’s newest resort is on schedule, but Circa owner Derek Stevens still has a few surprises up his sleeve.

Stevens said both the 777-room resort at Main and Fremont streets and the nine-story, 1,201-space parking garage known as the “Garage Mahal” are “going down the right path.”

The garage is being built on the west side of Main and will be connected to the resort with a bridge over the street. The garage is being designed with the convenience of ride-hailing drivers and their customer pickups and drop-offs in mind.

“The key bullet points are that both Circa and Garage Mahal are on time and we’re progressing right on time for our planned December 2020 opening,” Stevens said Monday.

The 600-worker crews on different shifts around-the-clock will pour the concrete floor of the building’s 10th story this week, and Stevens said the schedule is to pour a floor a week for the next 30 weeks. The 1.25 million-square-foot resort, with 44 floors dominated by suites, will feature the tallest hotel tower north of the Strip....”
