## Beaumont Market Overview

Founded at the turn of the 20th century, Beaumont is proud of its rich history and rural charm. The town served as a welcome “stopping-off point” for early travelers making their way from the Mohave desert to Los Angeles, and later for L.A. residents eager to vacation in Palm Springs. Some, however, set down roots, drawn by the beautiful mountain vistas; clean, crisp air; and the abundance of cherry and apple orchards. Strategically located at the intersection of Interstate 10, Highway 60, and Highway 79, Beaumont offers exceptional development opportunities to new or expanding businesses. The city’s immediate market area population currently exceeds 120,000 (15 mile radius) and with strong growth projected to occur for several more decades, Beaumont will remain a highly desirable location for new investments.
