

All the office without all the overhead. That's the new way to work.

A Virtual Office* from Regus gives you all of the amenities of a full-time office without the expense.

- A prestigious business address to use as your own
- Your own dedicated local business number
- Personalized and unlimited call answering in your company name by an on-site receptionist — no additional fees, minutes, calls to manage
- Free monthly private office use for client meetings
- Mail and package receipt and storage
- Business support services from our full-time and on-site administrative support team
- Access to 2,000 business lounges in 750 cities worldwide to stay productive while traveling
- Access to corporate rates and exclusive discounts on products and services from leading airlines, wireless carriers, office supply companies, and more

Virtual Office and Virtual Office Plus packages allow you to work from a private office that is furnished and equipped. Simply walk in, sit down, and start working.

Price Chart†
