OVERVIEW

Downtown Dadeland is located in the southwest quadrant of US Highway 1 and Kendall Drive in Miami-Dade County, directly across from the enormously successful Dadeland Mall (Saks Fifth Avenue, Nordstrom, Macy's and JCPenney) and within one of the Southeast's strongest retail submarkets. Adjacent to Container Store, Old Navy, Office Depot and BrandsMart. Unique and urban, Downtown Dadeland benefits from distinct marketable attributes; its mixed-use design, its proximity to Dadeland Mall and its location in this highly desirable retail corridor. The combination of these attributes have attracted a variety of tenants, ranging from local to regional to national operators.
