## Getting your office ready for you and your team on day one

- The provision of your office keys, access cards and security system programming: \$75 per person for all staff based at the office.
- The configuration and engineering of your selected technology services on our network: one time charge of \$79 per person for all staff choosing IT, phone or both.
- We can supply a range of advanced IT services, built to meet the needs of businesses from hi-tech start-ups to Fortune 500 companies.
- Make your office your own with our full array of service offerings. From signage, printing & copying to catering for meetings. See a Regus Team Member for details.

Note: Prices are correct at time of going to print. All services provided are subject to availability and fair usage; prices are subject to change and are exclusive of all appropriate taxes.

\*Amenities fee is mandatory and will be charged per office occupant.
