ABOUT THE AREA

"All you need to do is ask around... Holly Springs is a great place to live and work. No matter your age or favorite hobby, opportunities to enjoy life are abundant in and around town. Our Parks and Recreation Department offers a diversity of parks, a recreation center, a cultural arts center, a lake and retreat center, green ways, and picnic shelters. Programming includes art, drama, music, athletics, nature and outdoor education, cooking, after-school and track-out care, fitness and wellness, dance, special interest, and specialized recreation as well as summer camps and senior programs.

For the golfer, the town of Holly Springs is home to two private courses: Devils Ridge, part of the Sunset Ridge community, and 12 Oaks, part of the 687-acre 12 Oaks community. Both of these communities, like many others in Holly Springs, also provide access to swimming pools, tennis courts and walking trails.

The character of Holly Springs truly can be sensed at local events, including the downtown Farmers Market, Hollyfest (an annual Town festival), and Christmas Parade along Main Street.."
