

**It's your office.**<sup>™</sup>

## MORTAR: Your physical office.

The modern office has evolved beyond brick and mortar. Welcome to Byte & Mortar, where you can enjoy the benefits of a professional workspace at a fraction of the cost. Whether you're looking for a virtual office, co-working space or even traditional private office, Byte & Mortar is your flexible workspace, exactly as you need it. We provide the skilled reception staff, the secure and lightning-fast WiFi, exclusive mailing address, professional conference space, full-featured phone, utilities, print/copy services, modern furniture, cleaning and anything else that we forgot to list. What is Byte & Mortar? It's your office. [Welcoming clients beginning October 1.](#)
