BE EXCEPTIONAL

It has been said that to stand out is to be known for something *outstanding*. The most remarkable businesses succeed by recognizing the importance of building a strong identity. It's not only important to be thought of but to be *remembered*. Exceptional ideas, brands, people, and companies come from exceptional *places*.

An unmissable landmark, One Mill Run's prominent and highly-visible location along I-270 in Hilliard contributes to the property's distinctive and powerful allure. Designed for users seeking to establish a strong corporate identity, the building presents a rare opportunity for tenants to differentiate themselves from the pack and become part of a rich history of excellence and significance. This nine-story, Class A office building provides 174,323 square feet of efficient, well-designed office space for business professionals seeking to make a name for themselves and eclipse the competition.

Median Age: 36

Median Household Income:
\$95,742

Tax Incentives

- › **Property Tax Abatement** - Reduces real property taxes on new commercial construction or rehabilitation of existing structures designated Community Reinvestment Areas
- › **Tax Increment Financing (TIF)** - Redirects a portion of new real estate taxes from commercial property improvements to finance public infrastructure
- › **Job Growth Incentive** - Companies adding high-wage jobs may be eligible to receive an annual payment or refundable tax credit equal to portion of the new employees' City of Hilliard income tax withholdings

Sustainability

- › **AEP Energy Savings Program** - Business customers who install energy efficient products can reduce their investment payback period, energy consumption and costs. Visit www.aepohio.com/save/business/programs for more information.
- › **Columbia Gas Innovative Energy Solutions Program** - Offers rebates for energy audits and facility improvements that reduce natural gas usage. Visit www.columbiagasohio.com/business/save-energy-money for more information.
- › **Property Assessed Clean Energy (PACE)** - Financing program for qualifying energy and water efficiency improvements that allow projects to be financed through assessments on a property owner's real estate tax bill.
- › **SWACO Business Recycling Program** - Offers resources, incentives and recognition to help businesses establish sustainable materials management practices. Visit www.swaco.org for more information.

Workforce Development

- › **Franklin County PeopleWorks** - Up to \$500,000 will be invested annually through 2021 to create workforce opportunities for area businesses based on individual needs. Visit www.development.franklincountyohio.gov/people-works for more information.

Other incentives may be available based on the company's needs and the project details. For more information, contact:

City of Hilliard Economic Development (<http://hilliardohio.gov/work/economic-development>)

3800 Municipal Way Hilliard, Ohio, USA 43026

Phone: 614 334 2357

Email: dmeadows@hilliardohio.gov

Please note - each negotiation is unique based on company needs, and yields different outcomes. All incentives require approval.
