Agency Disclosure

AGENCY RELATIONSHIPS IN REAL ESTATE TRANSACTIONS

1. Page 1

2. **MINNESOTA LAW REQUIRES** that early in any relationship, real estate brokers or salespersons discuss with
 3. consumers what type of agency representation or relationship they desire.¹¹ The available options are listed below. This
 4. is not a contract. This is an agency disclosure form only. If you desire representation you must enter into a written
 5. contract, according to state law (a listing contract or a buyer representation contract). Until such time as you choose
 6. to enter into a written contract for representation, you will be treated as a customer and will not receive any representation
 7. from the broker or salesperson. The broker or salesperson will be acting as a Facilitator (see paragraph V on page
 8. two (2)), unless the broker or salesperson is representing another party, as described below.

9. **ACKNOWLEDGMENT:** I/We acknowledge that I/we have been presented with the below-described options.
 10. I/Wa understand that until I/we have signed a representation contract, I/we am/are not represented by the
 11. broker/salesperson. I/We understand that written consent is required for a dual agency relationship.

12. **THIS IS A DISCLOSURE ONLY, NOT A CONTRACT FOR REPRESENTATION.**

13. _____
 (Signature) (Date) (Signature) (Date)

14. I. **Seller's Broker:** A broker who lists a property, or a salesperson who is licensed to the listing broker, represents
 15. the Seller and acts on behalf of the Seller. A Seller's broker owes to the Seller the fiduciary duties described
 16. on page two (2).¹² The broker must also disclose to the Buyer material facts as defined in MN Statute 82.54,
 17. Subd. 3, of which the broker is aware that could adversely and significantly affect the Buyer's use or enjoyment
 18. of the property. If a broker or salesperson working with a Buyer as a customer is representing the Seller, he or
 19. she must act in the Seller's best interest and must tell the Seller any information disclosed to him or her, except
 20. confidential information acquired in a facilitator relationship (see paragraph V on page two (2)). In that case, the
 21. Buyer will not be represented and will not receive advice and counsel from the broker or salesperson.

22. II. **Subagent:** A broker or salesperson who is working with a Buyer but represents the Seller. In this case, the Buyer
 23. is the broker's customer and is not represented by that broker. If a broker or salesperson working with a Buyer as
 24. a customer is representing the Seller, he or she must act in the Seller's best interest and must tell the Seller any
 25. information that is disclosed to him or her. In that case, the Buyer will not be represented and will not receive advice
 26. and counsel from the broker or salesperson.

27. III. **Buyer's Broker:** A Buyer may enter into an agreement for the broker or salesperson to represent and act on
 28. behalf of the Buyer. The broker may represent the Buyer only, and not the Seller, even if he or she is being paid
 29. in whole or in part by the Seller. A Buyer's broker owes to the Buyer the fiduciary duties described on page two
 30. (2).¹³ The broker must disclose to the Buyer material facts as defined in MN Statute 82.54, Subd. 3, of which
 31. the broker is aware that could adversely and significantly affect the Buyer's use or enjoyment of the property. If
 32. a broker or salesperson working with a Seller as a customer is representing the Buyer, he or she must act in the
 33. Buyer's best interest and must tell the Buyer any information disclosed to him or her, except confidential information
 34. acquired in a facilitator relationship (see paragraph V on page two (2)). In that case, the Seller will not be represented
 35. and will not receive advice and counsel from the broker or salesperson.

36. IV. **Dual Agency - Broker Representing both Seller and Buyer:** Dual agency occurs when one broker or salesperson
 37. represents both parties to a transaction, or when two salespersons licensed to the same broker each represent a
 38. party to the transaction. Dual agency requires the informed consent of all parties, and means that the broker and
 39. salesperson owe the same duties to the Seller and the Buyer. This role limits the level of representation the broker
 40. and salesperson can provide, and prohibits them from acting exclusively for either party. In a dual agency, confidential
 41. information about price, terms and motivation for pursuing a transaction will be kept confidential unless one party
 42. instructs the broker or salesperson in writing to disclose specific information about him or her. Other information
 43. will be shared. Dual agents may not advocate for one party to the detriment of the other.¹⁴

44. Within the limitations described above, dual agents owe to both Seller and Buyer the fiduciary duties described
 45. on page two (2).¹⁵ Dual agents must disclose to Buyers material facts as defined in MN Statute 82.54, Subd. 3, of
 46. which the broker is aware that could adversely and significantly affect the Buyer's use or enjoyment of the
 47. property.

48. _____ I have had the opportunity to review the "Notice Regarding Predatory Offender Information" on
 (Date) (Initial)

51. V. **Facilitator:** A broker or salesperson who performs services for a Buyer, a Seller or both but does not represent
 52. either in a fiduciary capacity as a Buyer's Broker, Seller's Broker or Dual Agent. **THE FACILITATOR BROKER
 53. OR SALESPERSON DOES NOT OWE ANY PARTY ANY OF THE FIDUCIARY DUTIES LISTED BELOW,
 54. EXCEPT CONFIDENTIALITY, UNLESS THOSE DUTIES ARE INCLUDED IN A WRITTEN FACILITATOR
 55. SERVICES AGREEMENT.** The facilitator broker or salesperson owes the duty of confidentiality to the party but
 56. owes no other duty to the party except those duties required by law or contained in a written facilitator services
