O'Reilly Auto Parts (NASDAQ: ORLY), is one of the dominant retailers in the auto parts sector.

O'Reilly's continues to be an attractive investment for investors due to their long term leases, periodic rent increases, five-year renewal options, and investment grade rating. The automotive sector remains an investor favorite, as tenants like O'Reilly, show they can be successful in good and bad economic times. This resilience demonstrates the continuous demand in the automotive sector regardless of other factors.

O'Reilly Auto Parts was founded in 1957 as a single store in Springfield, Missouri and its headquarters are still located there. As of December 31, 2016, O'Reilly's has grown to 4,829 stores in 47 states with 27 distribution centers.

O'Reilly sells an extensive line of new, aftermarket and remanufactured automotive parts, maintenance items, tooling supplies, accessories, automotive tools, and professional service equipment. For years, it has focused on a dual-market strategy catering to both the "Do It For Me" (DIFM) professional service providers (PSPs) as well as "Do It Yourself" (DIY) individual consumers. This dual strategy contributes to O'Reilly's success and is one of the competitive advantages O'Reilly has over its competitors, along with its strong distribution network.

CITY OF ESCONDIDO

Settled in a long valley in the coastal mountains of Southern California, Escondido, which means “hidden” in Spanish, lies about 18 miles inland, 100 miles south of Los Angeles, and 30 miles northeast of San Diego. Surrounded by avocado and citrus groves, Escondido is a diverse, vibrant community with just the right mix of small town friendliness and big-city buzz.

More and more people are making Escondido their “City of Choice.” As the heart of San Diego North, it is one of the few remaining communities where people of all income levels can enjoy the Southern California lifestyle. We offer attractive homes in a wide range of prices, two lakes, several parks, a sports center, golf courses, restaurants, wineries, shopping centers, comprehensive healthcare and the nearby San Diego Zoo Safari Park. In addition, the California Center for the Arts, Escondido, brings world class entertainment to the area along with Queen Califia’s Magical Circle, a sculpture garden in Kit Carson Park donated by late internationally renowned artist Niki de Saint Phalle. In recent years Escondido was named by Money Magazine as the Best Place in the West in which to retire and, at the other end of the spectrum, was named a Kid-Friendly City for our broad range of youth programs. Ladies Home Journal also ranked Escondido number eight among the Top Ten Cities for Government.

Established in 1888, the city’s rich past brings charm and stability to the community. You can see it in the historic homes of Old Escondido or experience it in the thriving downtown area and the weekly blast to the past, “Cruisin’ Grand.” Yet integrated with Escondido’s treasured heritage is a progressive future, bright and brimming with promise. New jobs, new cultural amenities, new entertainment venues, new choices for residential living, and a new vision for Escondido’s future, make Escondido a city to watch.
