COMMENTS

Bear Canyon Shopping Center has recently completed an exterior renovation and features a Goodwill Superstore along with The Bloc, which is an indoor climbing and recreational facility. Bear Canyon Shopping Center is located in the heart of the Tanque Verde Valley which is one of the highest-income areas of Tucson. The shopping center features a Pima County Library branch which generates traffic for the surrounding merchants. The rents and triple net charges for this project are very competitive in the Tucson market and the surrounding trade area. This is an excellent opportunity for a retailer or service tenant to locate in an excellent trade area with very limited commercial space available.
