About Us

Encore Offices is located in Aliso Viejo's thriving business hub and is home to emerging startups, established independent businesses, and Fortune 500 companies alike. Our services include private office rentals, coworking spaces, and virtual offices, each with flexible rates and plans.

We operate under the philosophy that dozens of intangible factors affect the productivity of human beings. However, we know that people thrive in a synergistic environment. Feeling comfortable, engaged and stimulated in the workplace is paramount to a company's success.

Our mission is to build businesses through personal relationships and collaboration within our community and to positively impact the quality of our clients' work lifestyle.

Since opening in November 2010, we have grown to 86 total offices and served over 300 clients ranging from attorneys, accountants, mortgage lenders, researchers, and more!

Location

Encore Offices' prime location gives you access to key destinations throughout Orange, Los Angeles, and San Diego counties as well as the Inland Empire within minutes.

Aliso Viejo is ranked as one of the top safest cities in California and listed as one of the "Top 25 Towns to Live Well" by Forbes.com.
