UNIVERSITY OFFICE PARK

Sacramento, California

CAMPUS OVERVIEW >

University Office Park is a seven building office campus offering roughly 176,178 square feet of the office, medical and retail space located at the corner of Howe Avenue and University Avenue. The setting is an attractive blend of architecture and mature lush landscaping. The grounds feature landscaped courtyards as well as outdoor lounging and eating areas. The three two-story and three single story buildings offer a variety of available space types and sizes. The smallest tenant to a full building user can be accommodated. Additionally, there is also a development site on which a 30,000 square foot class "A" Leed Certified office building can be built to suit your needs.

University Office Park is located at the gateway to the Campus Commons business district. The location is accessed via Howe Avenue which is a major thoroughfare conveniently connecting Highway 50 and I-80. The location is minutes from the legal and political communities of downtown and less than a five minute drive from many of the world's best know financial institutions. Area amenities include parks, shopping and restaurants all within walking distance of the campus. Pavilions, an upscale development with Sacramento's highest concentration of gourmet restaurants and fine shops, is just two blocks away.

University Office Park is truly a unique opportunity. There are no other office campuses in Campus Commons that can offer a central desirable location with a reputable, strong ownership.
