APPROVED FOR RECORDATION  
BROUSSARD CITY PLANNING  
12/22/14  
DATE

The utility servitude/easements are herein dedicated to the City of Broussard for its exclusive use and orderly development of public utilities. The City of Broussard may or may not allow third party utility providers to use these easements, and is at the City's sole discretion. Third party utility providers have no rights until such time that the City gives them the authority to use same in writing. We the owner developers herein dedicate control and authority relative to the location and positioning of third party utility lines within this development that are to be dedicated to the third party provider, shall be dedicated with expressed reservation that the city has free use of said poles for wireless communications and this right can be assigned to third parties. This approval of subdivision is conditioned on the above & supersedes any previous agreement between the developer, the City of Broussard and utility provider.
