THE OPPORTUNITY

6,800 SF of prime retail located on the ground floor of this new, Leed Gold certified 550-unit residential project on the prime, signalized intersection of 12th Ave South & Boren Ave. Bridging the dynamic urban neighborhoods of First Hill and Yesler Terrace with the International District and the fast-growing Jackson corridor, this location brings a unique opportunity to a retailer who wants to be part of a significant transformation of this key corridor. This new community is designed to elevate and enhance well-established surrounding neighborhoods, while honoring the unique diversity, identity and history that our Seattle urban enclaves bring to the greater city landscape. Located on the First Hill Seattle Streetcar line, and near Seattle University, Swedish Medical Center, Harborview Medical Center, and key urban retail and restaurant zones, Mason & Main will give retailers a diverse customer base of medical employees, students and active urban residents from this and the surrounding dense neighborhoods. Gateway to over 2,385 residential units in Yesler Terrace!
