

# For startups, Fortune 500s, and everything in between, Regus is the new way to work.

**Regus**  **HQ**

No matter what your business requires, Regus has a workplace solution that can provide significant advantages over conventional space. With Regus, there are no build-out costs, and because we take care of everything, ongoing operational costs are reduced as well. Plus, Regus offers the flexibility to adjust space or transfer to another location if business needs change.

## Regus provides:

- Fully equipped, ready-to-work offices
- No long-term leases, up-front capital, or build-out costs
- Receptionist and IT support
- Professional meeting rooms and videoconferencing
- Access to more than 3000 business lounges around the world
