### nickel plate trail

The NPT is part of network of trails in the Indianapolis MSA that will connect to the Monon Trail and Fall Creek Trail in Marion County and the Midland Trace Trail in Hamilton County.

#### MARION COUNTY

The Next Level Trail grant converts 10.3 miles of railroad lines through Indianapolis from the Indiana State Fair grounds north to 96th Street, the northern county line.

Construction estimated to begin in the Spring of 2023 with completion in 2024.

#### HAMILTON COUNTY

Fishers will build portions of the NPT from 96th Street to the north. This will include a pedestrian bridge over 96th Street. Once completed, the NPT will create an 18 mile corridor through Indianapolis, Fishers and Noblesville.
