Designed  
for you.

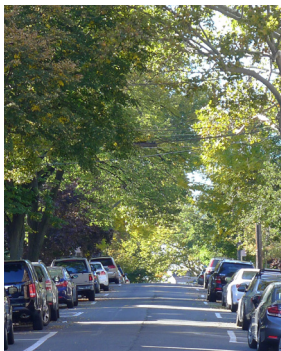

When completed, 21 South Street will feature a completely renovated interior with a dedicated lobby and an entirely new core with a new elevator and mechanical systems.

Entry to the offices at 21 South Street will be via a 2-story lobby with entrances from both Dehart Street and South Street. It will feature high-end finishes including stone flooring with wood and metal wall accents.

# Getting here is so easy.

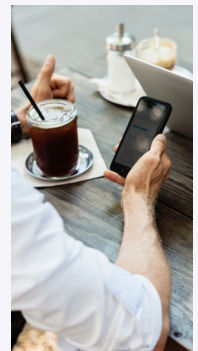

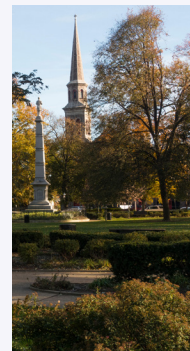

21 South Street is located just blocks from the Morristown Train Station with daily service on the Morris and Essex Lines to Newark Broad Street, Secaucus Junction, New York Penn Station and Hoboken Terminal.

Morristown benefits from short commuting times to New York City via New Jersey Transit's Midtown Direct express trains.

# Working here will make your day.

At 21 South Street you can take a walk on the Morristown Green, browse the shops, eat at the restaurants, take in a show or simply get things done on your lunch break. It's all part of the Morristown downtown community that works perfectly for you, your employees and your clients day and night.

# You get the picture.

- A wonderful walkable small city environment
- An incredible new office building
- Walk to dining, shopping, fitness and more
- Convenient parking for your employees and clients
- Close accessibility to commuter transit lines

## 21 South Street Overview

The Hampshire Companies is responsible for building the only two new offices buildings in Morristown in over 30 years, 49 Market St. and now the new 21 South Street. The renovated property represents the finest boutique commercial office opportunity in the City.

Wells Fargo will remain a tenant on the first floor and will have a direct street entrance separate from the office tenants.

# Aerial View
