IN THE CENTER OF IT ALL

University Park at Bridgewater is a bulk distribution park that is centrally located in the “Logistical Center” of the State of Florida. The site features access to nearly 9 million consumers within a 100-mile radius, and is situated within four hours’ drive-time of every major city in Florida. The property offers excellent access to Tampa-Orlando via Interstate 4, is expandable up to 1,004,400 SF, and offers abundant access to labor. The site is also in close proximity to the new CSX intermodal facility in Winter Haven.

Florida itself has a robust wholesale trade and transportation sector. The State features one of the world’s most extensive multi-modal transportation systems, including international airports, deep-water shipping ports, and extensive highway and railway networks—all of which are within easy access of Lakeland.

**9 MILLION CONSUMERS
WITHIN A 100-MILE RADIUS**

The Lakeland Metropolitan Statistical Area (MSA) is the 18th largest MSA nationally.
