

The Schultz-Hill Professional Arts Building

1616 PACIFIC AVENUE ♦ ATLANTIC CITY, NJ

Located in the heart of Atlantic City on Pacific Avenue, tall and majestic, stands the Professional Arts Building. Built in 1928 the building is a shining example of classic architecture.

The building has recently been upgraded to reflect modern necessity: New High-Speed Elevators, Card Access Entrance, Intercom Systems, New Weatherized Windows, Carpet and Lighting are but a few of the recent improvements made by on-site management.

This Atlantic City icon has been home to many businesses big *and* small. Come see the Schultz-Hill Professional Arts Building today, you'll want to call it home to your business too!
