A FOCUS ON YOUR HEALTH & WELLNESS

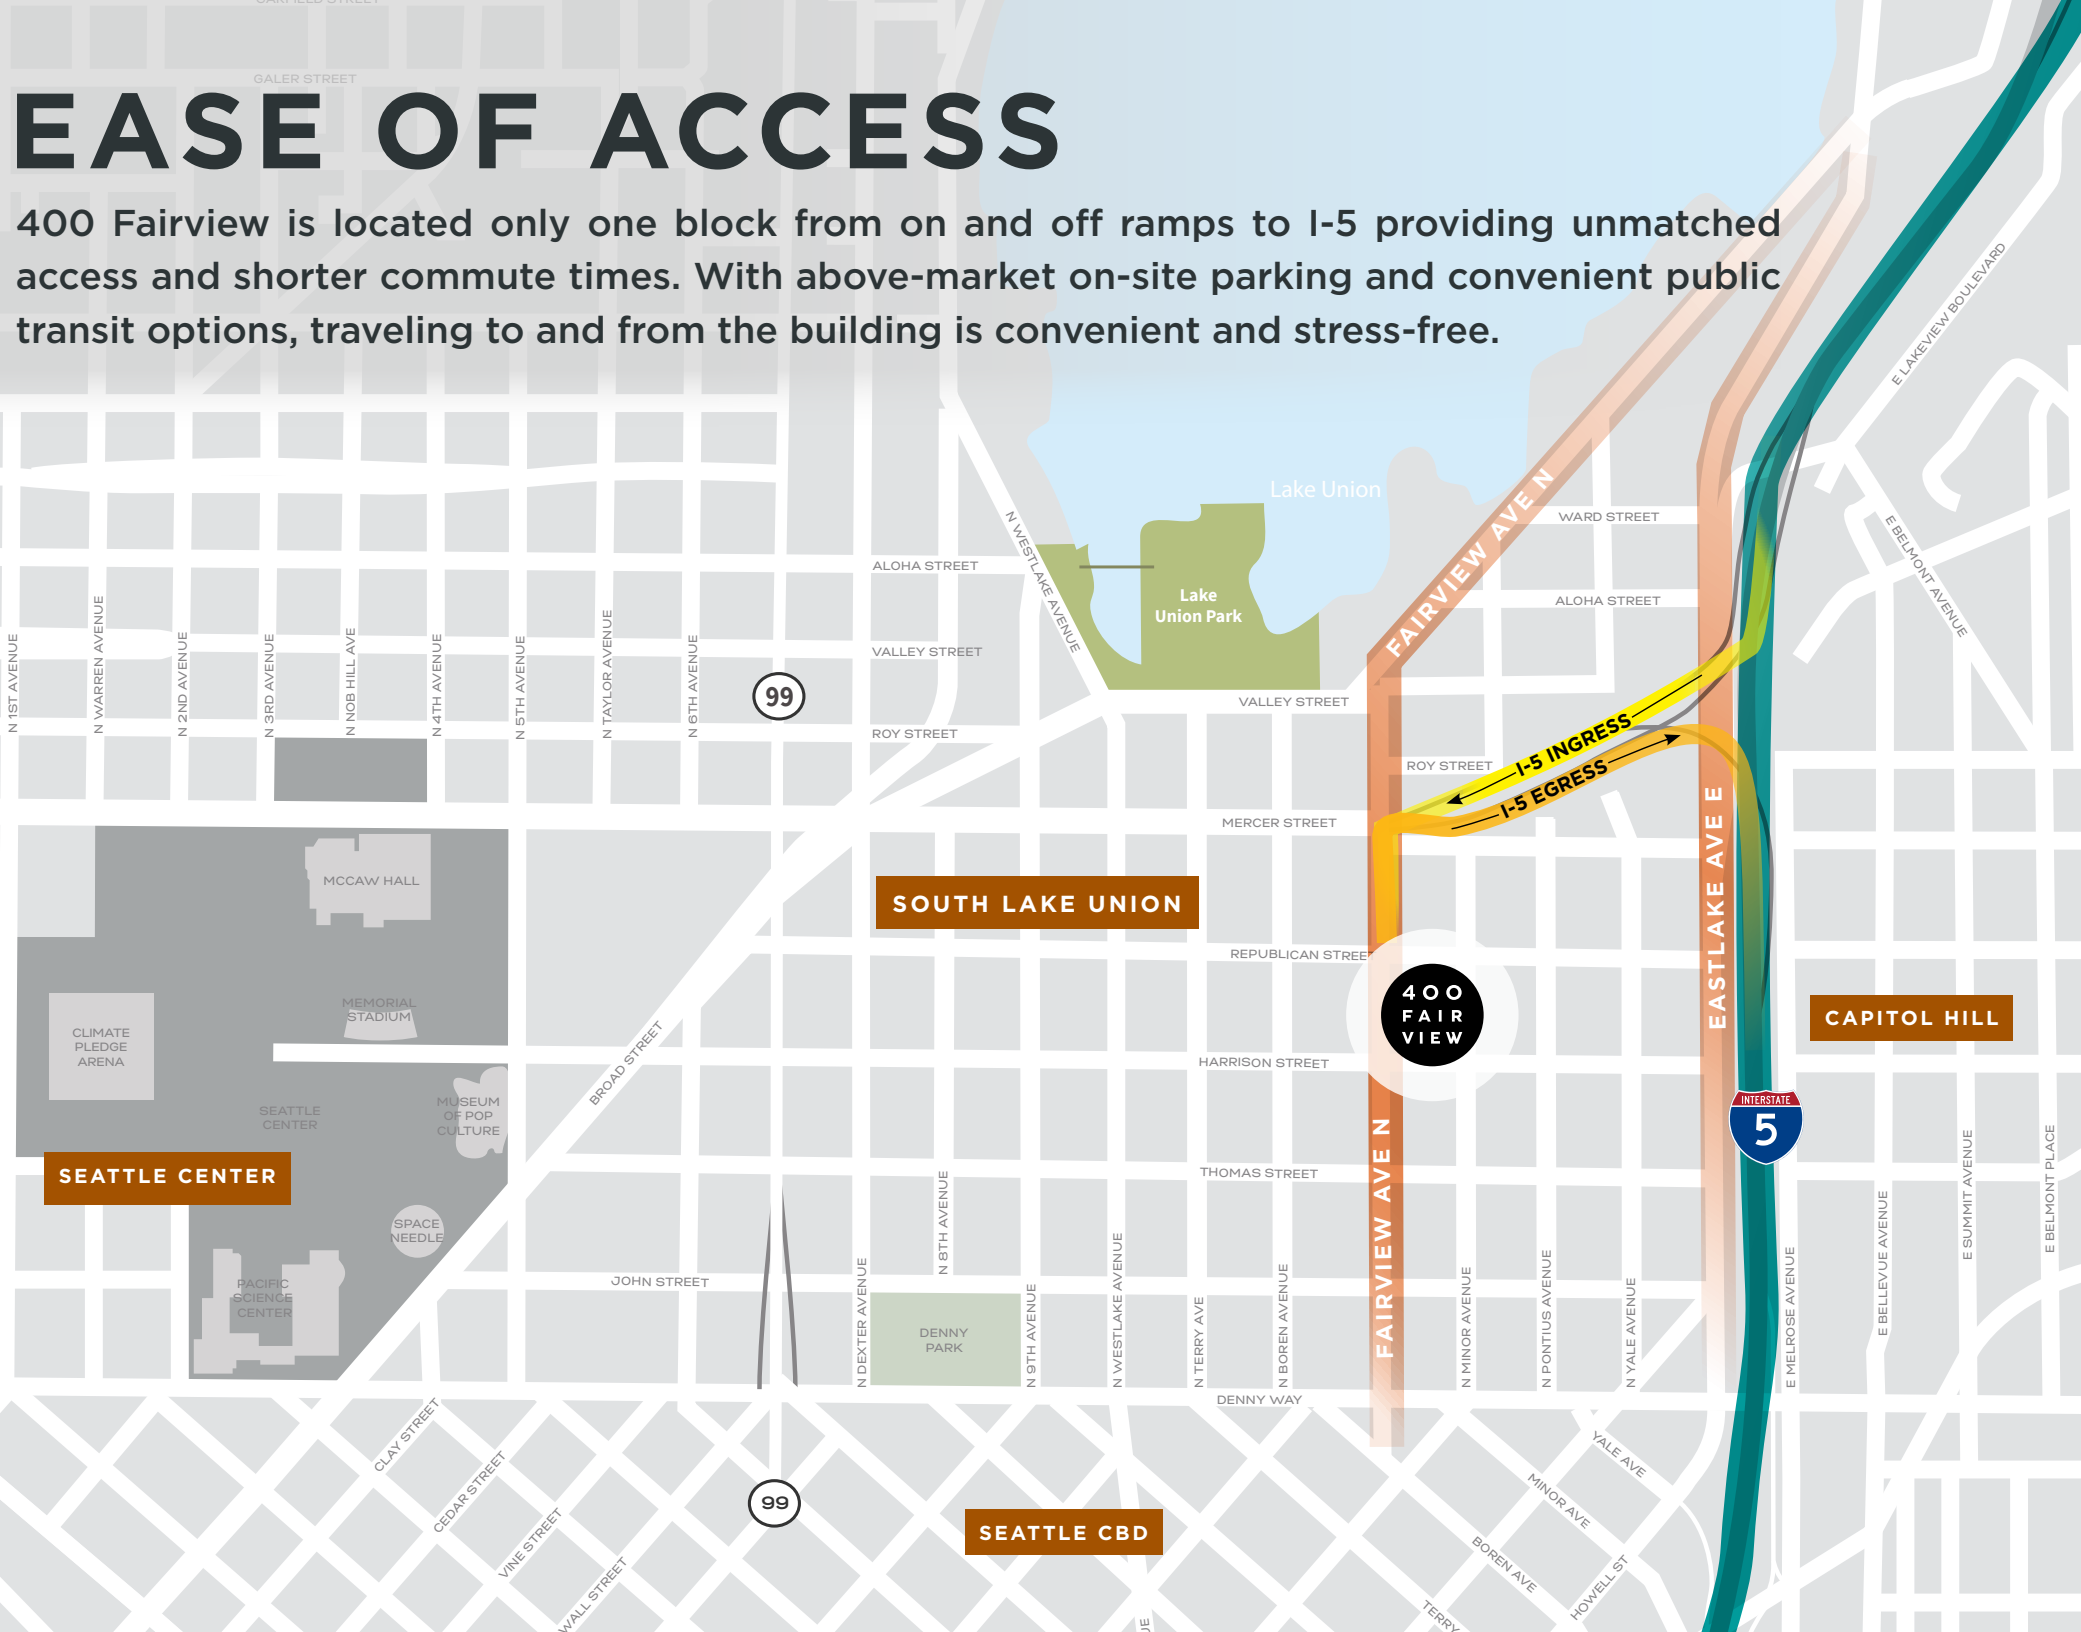

Our teams have taken a proactive approach to plan for a safe reentry to the workplace. Adherence to directives from local authorities and the CDC remain top priority.

- Hand sanitizing stations throughout property
- Designated “up” and “down” stairwells and capacity restrictions on elevators
- Touchless sinks, soap dispensers, and paper towel dispensers
- Proactive communication with tenants
- Social distancing signage throughout the common areas
- Contractors will follow our building protocols and requirements issued by King County, the City of Seattle and State of WA
- Enhanced cleaning of high-frequency touchpoints
- Face coverings always required in common areas
- Independent HVAC systems equipped with MERV 13 filters and supplied with 100% outside air with active BMS monitoring

EASE OF ACCESS

400 Fairview is located only one block from on and off ramps to I-5 providing unmatched access and shorter commute times. With above-market on-site parking and convenient public transit options, traveling to and from the building is convenient and stress-free.
