Medical Space

This 40,000-square-foot deluxe medical office building opened in 2012 to bring leading physician practices close to people who live and work in western Lake County. Current availabilities at this 2-story medical office building offer a great opportunity for physician services within the Vista campus.

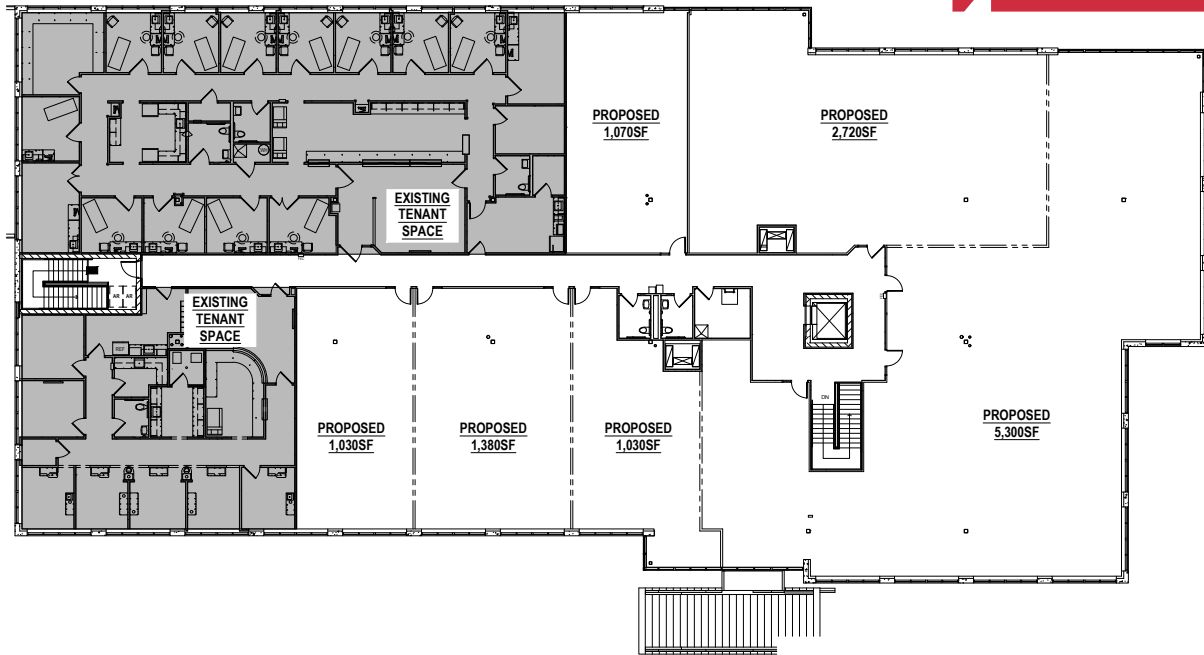

Vista Health Systems Medical Office Building

- 45,000 SF state-of-the-art medical facility
- Recently constructed in 2012
- 1,030-14,050 SF available on second floor
