Proposed pad sites available at West Gate entrance to Peterson Air Force Base on the northwest corner of South Powers Boulevard and Airport Road.

The 58.71 acre property will include a multifamily site, retail, restaurants, hospitality and office flex space to serve Peterson Air Force Base employees, businesses, and over 40,000 residents in the area.

## ABOUT WESTGATE POWERS

Westgate is a planned, mixed-use 58.71 acre project that will bring new amenities and services to the southeast Colorado Springs area, in a campus-like setting with walking trails and landscaped open space. Offering great visibility and access from both South Powers Boulevard and Airport Road, with sweeping views of Pikes Peak to the west.

This mixed-use development will provide for the needs of nearby residents and office tenants, while also serving as a regional destination for those who will come to enjoy convenient shopping, dining and hospitality services within easy walking distance. Preleasing now in all project phases.
