PROPERTY INFO

Bradville Square is a well positioned daily needs shopping center in a dense and under-served part of Sacramento. The area borders the Rancho Cordova community and captures the Highway 50 office daytime population.

- New stucco facade
- Refreshed landscaping providing for clearer visibility to signage.
- New slurry coated parking lot
- Clean fresh vanilla shell condition for vacant spaces including new lighting, recessed sprinklers, fresh paint and clean flooring.

HIGHLIGHTS

- **New Ownership**
- **Complete exterior remodel underway**
- **Grocery Outlet & Dollar Tree will add significant new customer traffic**
- **Variety of size and locations available**
- **Significant daytime population offers built in restaurant customers.**

The daytime worker population for the Bradville Square census tract is approx. 7,842 people. This puts it in the middle of the Sacramento region in terms of daytime worker population, and is similar to census tracts surrounding major shopping centers such as the Roseville Galleria and Sunrise Mall/Birdcage area. Additionally, the areas population is projected to grow 4.5% over the next 5 years so the daytime worker population should continue to grow at a healthy clip as well.
